Draw us a picture of your favourite hero who looks after you to keep you healthy and happy

During the last few weeks during lockdown, it's been very clear that lots of people are doing very important jobs to keep us happy and healthy.

We'd like you to draw us a picture of your favourite one. It could be a doctor, or a nurse at your doctor's surgery. It might be a carer who goes to visit your Gran every day. You might even be lucky enough to have a guide dog who has looked after you.

Whoever that **Caring Hero** is, draw us a picture of them and send it to us. The winner will receive a £150 art voucher, and there's also several runners up prizes. Good Luck!
